FROM: Chief, ICAPS

1. As you know the IAC Agencies have all replied to the memorandum of March 4th transmitting to them the final report of your ad hoc committee on the NIS program. The Navy Department sent comments (neither approving or disapproving), but ~~all~~ others approved with comments, the comments are attached hereto. No comments were received with the Army's approval.

2. As I understand it, all of these suggestions may be easily resolved by you, except the Navy vs Air Force controversy, and the funds and personnel needed to get on with this program so that it may be completed within the time specified.

3. I should be glad to receive from you, after you have *considered* ~~completed~~ these replies, a list of the specific points which should be resolved at an early IAC meeting. We shall incorporate these items in the memorandum we send out ~~completing~~ *calling* this meeting.
